

Prince Albert has always been sold without premiums or coupons. Quality is its standard—and my, how the millions of smokers have approved of it, too!

On the reverse side of this tin read the story: "Prince Albert Cigarette Tobacco." Patented July 20th, 1907.

A supply of Prince Albert smokes you wherever tobacco is sold. Toppies red bags, 5¢; tidys reds, 10¢; handsome pound and half-pound tin humidors and that nifty crystal glass humidors with sponge-moistener top that keeps the tobacco in such prime shape—always!

PRINCE ALBERT

the national joy smoke

stands clear-as-a-whistle above national or state restrictions on the use of premiums or coupons because they have never been given with Prince Albert. To offer such inducements would mean that Prince Albert's quality would have to be reduced to meet their cost! We prefer to hand smokers quality.

One test of Prince Albert will prove this to your absolute satisfaction! It will prove that P. A. cannot bite, cannot parch! Your enjoyment of its fine flavor and coolness will be supreme! The patented process by which Prince Albert is made cuts out bite and parch!

Prince Albert came unheralded a few years ago; today it has made three men smoke pipes where one was smoked before and has given cigarette rollers a new idea of makin's joy. To meet the approval of such an army of men of varied tastes, P. A. must have everything we or its most enthusiastic admirers ever claimed for it.

And Prince Albert has all that! It rings true and real and you just adopt it for all time quick as you get that taste and aroma into your smokepipe! Because, it answers the fondest tobacco desires you or any man ever did express!

They will be armored and probably will carry rapid firing rifles, but more for defense than offense. They are much similar to the ordinary farm tractor except that they are more powerfully constructed.

Dressed Like Society Leaders for Dinner

London, Sept. 20.—The scantily dressed girls on the London music halls approach no nearer a state of complete nudity than some of the women who used to dine with Queen Victoria, wrote Arnold Bennett, in the Westminster Gazette today, replying to General Smith-Borrien and an anonymous writer who complained about the "parade of women in all degrees of nudity" on the stage.

"I have not yet observed in any revue any woman whose 'degree of nudity' has appreciably exceeded that which was insisted upon by the late Queen Victoria at her own dinner table and which is visible nightly in the drawing rooms of London," wrote the novelist.

General Smith-Borrien complained that the appearance of scantily dressed women in revues had an evil effect upon British soldiers on leave of absence from the trenches.

Three Are Killed in Arizona Train Wreck

Kingman, Ariz., Sept. 20.—Three persons were killed and 11 injured when the engine and four coaches of west-bound Santa Fe train number 3 jumped the rails on a sharp curve north of here before daylight today and rolled down an embankment.

The dead: J. Goldson, engineer, Needles, Cal.

Michael Osborn, fireman, Needles, Cal.

An unidentified dining car worker. The injured: Mrs. George Overmayer, Topeka, Kan., arm broken.

Ten others in the same Pullman sleeper as Mrs. Overmayer, were slightly injured. The wreckage of the engine and coaches was strewn a quarter of a mile along the track. Five cars remained on the rails and traveled a considerable distance past the scene of the wreck before they were halted.

COMMON LAW MARRIAGES LEGAL

Portland, Ore., Sept. 20.—Common law marriages are legal in Oregon. This is the ruling today of Circuit Judge Davis in the forger trial of Homer N. Ford. Much of the evidence in the case hinged on the question of whether Ford had legally married Caroline Voght in Alaska in 1898. After she testified that they went before a notary public at Eagle, Alaska, and swore they would live as man and wife, Judge Davis held that such a contract was binding.

POPE WILL SOON HOLD ANOTHER CONSISTORY

Claimed He Will Make Important Declaration Regarding War

By John H. Henley. (United Press staff correspondent.) Rome, Sept. 20.—Pope Benedict will hold another consistory in November when he will make an important declaration regarding the war and the prospects for peace, the United Press was informed by reliable sources today.

His Holiness will create several foreign cardinals at this consistory. Archbishop Hanna of San Francisco, is the only American whose name is being considered at present.

Papal couriers already are en route to Vienna and Berlin to notify Austrian and German cardinals of the coming consistory. The Italian government has advised the Vatican that it does not object to the holding of a consistory and will interfere in no way with the entrance of the Austro-German cardinals in Italy.

Archbishop Edward J. Hanna of San Francisco, is now in his fifty-seventh year and was born in Rochester, N. Y. He was ordained a priest in 1885, and in 1907 was nominated coadjutor archbishop of San Francisco but failed to receive confirmation of Rome, because of the charge of modernism made against him. This charge was later disproved. Pope Pius X appointed him auxiliary bishop of San Francisco October 22, 1912, and on June 1, 1915, he was appointed archbishop of San Francisco by Pope Benedict. He was appointed commissioner of immigration of California in 1913.

Walter L. McDougal, who left last evening for Buffalo, N. Y., evidently misunderstood the object in issuing the \$1 check by the Commercial club to the Capital Journal. The only object in placing the large check in circulation was to keep it in Salem and demonstrate what could be done with a dollar if it remained in circulation in the city. This was understood by all merchants and professional men and the check was circulated from the Capital Journal office to Patton's bookstore, The Spa, Watt Shipp, J. C. Perry drug store, D. White & Sons, Salem Woolen Mills, U. G. Shipley, Wm. Burghardt, Jr., A. B. Wilson and would by this time have paid a dozen other bills in the city had not Mr. McDougal taken the check with him when he left yesterday for Buffalo, N. Y.

There is another hard luck story. Sugar advanced 10 cents a hundred this morning. The housewives who were not satisfied with the decline of 75 cents a hundred two weeks ago and were waiting for lower prices, will now have to pay 25 cents a hundred more than the price of a few days ago.

(*) Philadelphia plays a double-header.

By H. C. Hamilton.

(United Press staff correspondent.) New York, Sept. 20.—The fighting spirit that always comes to the front in Boston teams has cropped out in the playing of the Red Sox.

Challenged in the home of the Tigers, with their lead in the American league only a game over Detroit, the Bostonians proved their mettle by taking the lead in the crucial series.

And while Boston was strengthening its hold on the Ben Johnson leadership the Brooklyn Nationals also were cheering up a little. The Dodgers, playing good baseball, downed the Reds and moved another game in front, for Philadelphia, although Grover Alexander was on the mound, lost to the Cubs, through good pitching by Jim Vaughn. The Braves, the other fighting Boston aggregation, took a game from the Cardinals and kept right on the heels of the leaders.

It was just about a year ago that the Tigers and Boston met in the series that virtually decided the 1915 pennant race in the American league. That time, however, the games were in Boston and the Red Sox had that much of an edge. They won that series and smashed their way over to a pennant. This time the series is in Detroit, but so far the change does not appear to have made any difference. The Red Sox took the opening game and with a wealth of good pitchers and a fighting spirit that is hard to beat, they are ready to again tackle the Jennings outfit.

Jennings used his best bet yesterday when George Dauss was beaten. He still has Ehmke, a recruit, who already has won two games for the Tigers; Dolub, Coveski and Boland ready for duty. Carrigan has Ruth, Shore, Leonard and Foster, all stars, in the hole.

The White Sox, through a ninth inning victory over the Athletics kept pace with the leaders and if the Red Sox are victorious today while the White Sox win, the Chicagoans will go into second place.

Today, in the National league, the Phillies will meet the Uirates in a double-header and the Braves will take on Cincinnati. It more than likely that the Braves will win their game but the Phillies will find themselves in third place.

The Dodgers are playing better baseball right now, even with an infielder, Fred Merkle, playing the outfield, than at any time for a week or more. They displayed the real thing when they defeated the Reds yesterday. Today the Cardinals will tackle the Dodgers in Brooklyn.

1,000 LOSE LIVES WHEN GREAT DAM GAVE WAY

Berlin, Sept. 20.—The loss of life in the Bohemian flood resulting from the breaking of the White Desert dam may reach one thousand.

Hundreds of persons are missing and it is feared their bodies will be found inside the houses floating down stream or entangled in floating debris.

Between 200 and 300 bodies have already been recovered. The survivors are without food and many of them only partly clothed. Hasty relief measures are being taken.

The reason for the break in the dam is not yet known.

A young chap named Harvey almost made a news story this noon when he started from the Scott & Piper bicycle shop on lower State street on a motorcycle which was different from the one he was accustomed to riding. The action required to stop his machine produced an exactly contrary effect in the one used on this occasion, and the result was more or less sensational. He is said by spectators to have left the bicycle shop with about the velocity of a bullet leaving a gun. Fortunately his presence of mind returned before he struck anything, but he was within a few feet of disaster when the machine was stopped.

BOSTON WINS AGAIN IN RED HOT CONTEST

Score Tie 3 to 3 at Eighth When Boston Got Winning Run

Navin Field, Detroit, Mich., Sept. 20.

The Detroit Tigers pennant chances received a severe jolt this afternoon when the Red Sox handed them their second beating in two days.

Henriksen, hero of the 1914 world's series between Boston and the New York Giants won the game for the world's champions. Batting for Manager Carrigan in the eighth inning with the score tied at three each he drove a single to center scoring Scott who had walked.

Ehmke and Leonard worked on even terms throughout the game each turning in one very bad inning but otherwise pitching excellent ball. The Tigers got to Dutch in the second inning for three hits. These taken in connection with two awful errors by Hoblitzell and Janviri gave the tigers their three tallies.

Boston came back in the fourth, pounding Ehmke for four hits which netted three runs.

The seventh inning of the game was one of the most remarkable in the history of baseball. Each team filled the bases during this session with none out but neither could score. A fast double play saved the Tigers, but Leonard worked out of his difficulty almost unaided. He retired two of the Tigers by the strike out route, forcing the third, a pinch hitter to pop an easy fly to the outfield.

Last Chance for Pennant.

Navin Field, Detroit, Mich., Sept. 20.—Faced with the knowledge that they must either win today's game or abandon their pennant hopes, the Tigers battled with Boston this afternoon in the second game of a three game series with the champions.

Close to 20,000 fans packed the park. Jennings entrusted Howard Ehmke, his new pitching sensation from Syracuse with the task of stopping the world champions. Leonard was sent to the firing line by Carrigan.

Vitt returned to third base for the Tigers and the regular infield was restored with Heilmann at first. The lineup:

Boston: Hooper, rf.; Janviri, 2b; Shorten, cf.; Hoblitzell, lb.; Lewis, 1b; Gardner, 3b; Scott, ss.; Carrigan, c.; Leonard, p.

CARD OF THANKS

To the many friends and kind neighbors who assisted us during the sickness and burial of our father, J. M. Hawthorne, we wish to extend our heartfelt gratitude.

THE CHILDREN.

The boys will be home from Camp Withycombe some time Saturday, according to information received this afternoon. As yet there is no definite time set for the return and the Southern Pacific could give no information. Anyhow, whenever the boys do arrive, they will be given a proper reception as the Salem Patriotic League has the matter in hand and final arrangements will be made at the regular monthly meeting to be held Friday afternoon at the Salem public library.

The Salem Floral society will make its first exhibit this year at the state fair and has been assigned the northwest corner of the old floral room. As this is the first showing the society will make, members are requested to send in their displays, Wednesday and Thursday. Those interested might call Mrs. R. S. Wallace.
